

Independent School of Art

presentations by artists, poets, musicians, writers, crafters, performers, academics...

Darker Ecologies

Paul Chaney is a self-taught artist whose work is articulated through a mix of participatory and durational art practices, both local and global in scale and scope.

His presentation will range from land-based projects conceived in Cornwall over the last twelve years, to his work investigating paradigms of industrial growth and the agency of geological materials in Central and Eastern Europe.

ISA

First Thursday - Monthly

St Gluvias Church Hall (next to No 46)

West Street Penryn
